

Field to Freezer: Deer Processing Workshop
November 28, 2021 8:30 am – 12:00 pm
23 Reese Ave, Hackettstown NJ 07840

Join the NJ Division of Fish and Wildlife's R3 Program for a hands-on deer butchering workshop. This workshop is designed to provide participants 18 years of age or older with an informative and welcoming environment in which to learn tips and techniques when butchering their own white-tailed deer harvest.

Workshop Overview:

This workshop is for beginner deer hunters who are interested in processing their own harvest. Participants will learn about processing venison for the table or freezer by experienced R3 Mentors. All equipment is provided. Twenty spots are available. This event will be held rain or shine.

Workshop Fee:

This workshop is being offered **FREE** of charge!

Facilities:

The Charles O. Hayford State Fish Hatchery, more commonly known as the Hackettstown State Fish Hatchery opened in 1912. The hatchery is currently responsible for the production and distribution of 15 species of cool and warmwater fish.
